Notes;

Championships; Championships results are based on all races with 3 drops. Race format for championships will be decided on the day relative to weather conditions and volunteer availability. The committee may at its discretion format any championship using marathon, sprint or buoy races including back to back or multiple races.

Where back to back races are held in one heat, the overall winner will be determined using the lowest score for that heat and will be awarded outright single points for that heat as if it were one race.

Club Champion; An overall Club Champion for each **fleet** will be determined using the Club Racing heats in combination with the Championship score. The format of Club Racing will be determined by the PRO and Committee prior to briefing and subject to the prevailing weather on the day.

Race Fees; (bulk nominations)

Payable by 30th March 2008. This option expires after this date unless a new pro- rata membership.

\$130 for 1 up boats

\$150 for 2 up boats

OR

Per heat fees;

Junior Classes; \$5 for 1 up Sabot

\$6 for 2 up Sabot

All others; \$10 for 1 up boats

\$12 for 2 up boats
