About the Townsville Sailing Club

Celebrating 100 years of dinghy racing on Cleveland Bay 1909 – 2009

The Townsville Sailing Club has a long history as an active sailing club. Relocation to the current site on the Strand occurred in 1994 due to the dedication of many volunteers who were involved in building the current clubhouse. The club is run by volunteers with the aim of promoting sailing in the Townsville region. Located on the Strand, The Townsville Sailing Club is an ideal venue for families to learn and participate in dinghy sailing.

Affordable sport

Dinghy sailing is an affordable sport for children and adults alike to learn to sail or compete in sailing competitions and regattas. The club has several boats for members to hire until they choose to buy their own. Have a look at the club website for more information about club activities in the TSC Newsletters and Members Handbook at www.tsvsailingclub.com

Sailing Classes

Regular sailing classes are held throughout the year and races are held on most Sundays between March and November. Classes are conducted by a Yachting Australia qualified instructor and for children comes inclusive with a years membership.

Hall Hire

Due to it's wonderful location, the clubhouse is an excellent venue for functions or meetings at very reasonable rates.

Volunteers

The Townsville Sailing Club is a volunteer run organisation. There are a variety of tasks and roles, with different levels of input, in which members can contribute. If you love the idea of spending Sunday afternoons on the waters of Cleveland Bay then contact the Townsville Sailing Club now.
